Princeton college of Pharmacy is affiliated to the JNTU Hyderabad, and has adopted methods of assessing the student academic performance on continuous monitoring basis. Rules and regulations are followed in tune with the affiliating University norms so as to conduct the Continuous Internal Evaluation bringing larger transparency.

Continuous assessment in theory subjects: As per the JNTUH R17 regulations, 25 marks are allotted for internal assessment examinations and end semester external examinations are conducted for 75 marks. In this frame work, the college conducts Mid examination in the specified pattern consisting of Objective Questions and Descriptive questions for all the theory subjects. The Objective Question Paper (10 marks) are split with Multiple choice and fill in the blank type questions.

Descriptive type Question Paper (10 marks) is set by internal faculty members. Assignments are given to the students carry weightage of 5 marks. The internal marks are awarded by taking the marks from both mid examinations and assignments.

Continuous assessment in practical subjects: For laboratory courses, continuous evaluation process is being followed during the semester for 25 marks which is regarded as internal marks and 75 marks are allotted for end semester external examination. In the 25 marks for internal, 15 marks are awarded for day to day evaluation, to assess student performance which includes regularity, Observation book submission, procedure, calculations and graphs in terms of result, viva and promptness in submission of records in the laboratory and 10 marks for conduct of Internal lab examination. The Major reforms in Continuous Internal Evaluation implemented by Institution are as below Outcome Based Education (OBE) is a student centric learning model, that focuses on measuring student performance through learning outcomes and parameters like CO's, PO's, PSO's and PEO's and the Graduate Attributes defined by the NBA.

PRINCIPAL  
Princeton College of Pharmacy  
Korremula Vill., Vijayapur Colony,  
Ghatkesar Mdl., Medchal Dist., Telangana.

The Mechanisms for Evaluation Systems based on OBE are:

- Blooms Taxonomy is followed while setting the internal examination question papers.
- The prepared questions are mentioned with course outcomes.
- Questions are uniformly distributed across the syllabi (course description)
- Rubrics are drafted and used in Theory, Laboratory, Assignments, Seminars, Mini Projects Major Projects.
- Formation of Course Outcomes for all theory and laboratories are made by using action verbs of Bloom's Taxonomy and mapped to the Program Outcomes and Program Specific Outcomes. The evaluation is made for the attainment of vision and mission statements of the institute.
- The attainment of Course Outcomes is evaluated with Continuous Internal Evaluation and University end Examinations.
- As per the JNTUH R22 regulations the performance of a student in every theory subject/course will be evaluated for 100 marks, with 25 marks allotted for CIE (Continuous Internal Evaluation) and 75 marks for SEE (Semester End Examination)
- In CIE, for theory subjects, during a semester, there shall be two mid-term examinations. Each Mid Term examination consists of two parts
- i) Part – A for 10 marks, ii) Part – B for 10 marks with a total duration of 2 hours as follows: Mid Term Examination for 20 marks:
  - a. Part - A: 10 Multiple Choice/ Objective Questions paper for 10 marks.
  - b. Part - B: Descriptive paper for 10 marks. Long Answer Questions for 5 marks (answer 1 out of 2). Short Answer Questions for 5 marks (answer 2 out of 3, each carries 2.5 marks).
- The question paper for this regulation should be prepared in Bloom;s Taxonomy.
