Description: The purpose of an association is to foster a spirit of loyalty and to promote the general welfare of your organization. Alumni associations exist to support the parent organization's goals, and to strengthen the ties between alumni, the community, and the parent organization. Our Chief guest Dr. S. Prabhakar Rao has addressed the students saying it's her privilege to welcome them and extended his warm support.

Dr.K. Satyanarayana, the Principal, conveyed to them a variety of benefits and services that help alumni maintain connections to their educational institution and fellow graduates. Students participated and shared their experiences and ideas to promote the general welfare of the organization. One of the passed-out students from B. Pharmacy has expressed that their faculty is their strength, and they are the reason for her success in her career; she thanked the faculties for their continued support & motivation. Students felt very surprised in the meeting. Me, Sushmitha thankful to all the faculty members of the College for their continuous efforts and support. Apart from excellent academic experience, I cherish every moment spent at PCOP. It has been a very interesting and awesome journey.
