INTERNAL QUALITY ASSURANCE CELL (IQAC):

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

IQAC Coordinator Provide a delegated decision-making to improve institutional functioning.

Functions and Responsibilities:

- ❖ Dissemination of information on various quality parameters of higher education. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- ❖ To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- ❖ To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- ❖ IQAC actively encourages development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality.
- ❖ IQAC helps in academic & administrative audits by providing necessary information with valid proofs.
- ❖ The IQAC may channelize and systematize the efforts and measures of an institution towards academic excellence.
- ❖ IQACs develop systems to improve the institution's academic, administrative performance and financial tasks. They also promote quality culture and best practices.
- ❖ The credibility of the assessment and evaluation procedures.
- ❖ Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- ❖ IQACs collect feedback from students, faculty, staff, employers, and alumni to improve the institution.
- ❖ IQACs encourage students to be active learners and contribute to the institution. Students can help create systems and suggest improvements to the teaching-learning process and examination system
- ❖ IQACs use a Strength, Weakness, Opportunities, and Threats (SWOC) analysis to identify areas for improvement.
- ❖ Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.
