## COMMUNITY ENGAGEMENT & SERVICE CLUB

### **Functions:**

The Community Engagement & Service Club aims to cultivate social responsibility, civic awareness, and active participation among students by organizing community service, public welfare initiatives, and sustainable development programs that promote health, hygiene, education, and overall community well-being.

### **Responsibilities:**

- To organize health awareness camps, vaccination drives, and disease prevention programs to promote a disease-free community.
- To conduct cleanliness drives, sanitation campaigns, and environmental awareness programs to support the vision of a “Clean Village.”
- To implement literacy initiatives, adult education programs, and educational workshops to enhance literacy levels in the community.
- To encourage student volunteering and participation in community development projects.
- To collaborate with local NGOs, governmental bodies, and community leaders for impactful outreach programs.
- To promote public health, hygiene, and preventive care awareness through workshops and campaigns.
- To observe and organize campaigns on national and international awareness days related to health, education, and environment.
- To document and disseminate impact reports and outcomes of community engagement activities.
- To create a sustainable model of social responsibility by integrating community engagement with academic learning and student development.
